

PMA

for Projects Management and Arbitration

Dedicated for business care.

PMA is founded in 2019 to be a leading International Project Management and Arbitration boutique dedicated for business care.

Our Story:

Our story started when the founder and CEO took the decision to penetrate the market after a massive experience in the field and immediately joined by Partners and regional directors to inaugurate PMA booming in the Market.

During such short period, we were committed to manage and successfully complete projects in London, Paris, Dubai, Riyadh, Accra, Sudan and Cairo.”

VISION:

Our vision to be a leading consulting boutique in the two lines industries of Project Management and Arbitration”
